From the time of check-in until check-out, we were taken good care of and all our needs were met. We had a house help and a security to make sure everything was secure and in place. The ambience and interiors of the villa is downright beautiful. Squeaky clean, extremely furnished and never felt the need of wanting something and not having it. Comfortable beds and couches. Amenities such as oven, washing machine, pool were also available. Services of the caretakers Balram and others was commendable. Have and would definitely recommend this place to all family, friends and readers. 11/10 overall. Thank you for an immaculate experience Casa de Carnival ❤️🥰 much love and appreciate.

Wow.. is all you can say about this place. The location, the design of the house and every other little detail of the house were exquisite.

The pictures do not do justice to the feeling you get when you walk into this space!

The living room with bar and adjoining private pool area is so awesome that it kept us hooked at the place for the maximum time.

Most of all though, Nikhil & Yash are true super hosts. Anything you need is a message away. Babita, Balram, and the other staff were the most hospitable team you could ask for - really a cut above what you normally get in goa. They were always willing to help with a smile on their face but never intrusive.

If you're not sure whether you should stay here - stop thinking and go for it. My only advice would be to book a day or two longer than you think you want to stay because you will not want to go anywhere else once you get there!

Thanks guys for making my stay super smooth & see you next time! wish you progress onwards & upwards!
